# Forum Braga

Inspired by its Roman heritage, is the venue in the northern region, with unique conditions and excellence for congresses, shows, fairs and all sorts of events. Thought and made for people, Forum Braga is the meeting point for business, culture providing multi-valencies for all kinds of experiences.

**Strategic  
Geographical  
Location  
BRAGA**

Braga is a privileged place on the Iberian Peninsular; in Portugal but close to Galiza, serving simultaneously both Portuguese and Spanish public. Forum Braga is easily accessible either by car, train or even with short connection to the International Airport.

Besides the high standards of life quality and the existing infrastructures as well the large and growing number of the establishment of successful companies, Braga is the Portugal's biggest growing city over the last 20 years.
